

# Immo-Cashback: Revolutionizing Real Estate Transactions

Transforming real estate websites into commission-generating machines  
across Spain and Belgium

# Turn Your Website Into a Revenue Powerhouse

In a saturated market where every agency sells identical properties through the same XML feeds, differentiation is everything. We deliver the ultimate competitive advantage: **REAL ESTATE CASHBACK.**

Transform your digital presence from a simple listing platform into a magnetic lead-generation system that psychologically locks in buyers and sets you apart from every competitor.

# The Commoditization Crisis

## 95% Market Overlap

On Costa Blanca, virtually all agencies use identical feeds—Inmovilla, Kyero, and others

## Zero Differentiation

Buyers see the same properties at identical prices across every agency website

## Interchangeable Service

When product and price are identical, agencies become completely substitutable to clients

How do you stand out when you sell the same product at the same price as everyone else?

# The Solution: Real Estate Cashback Module

A powerful psychological lever that transforms buyer behavior and agency selection.

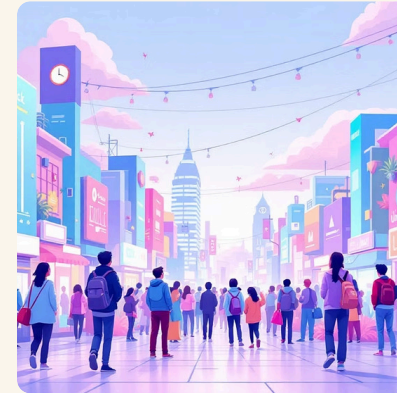

## Capture Ultra-Qualified Leads

Attract serious buyers actively seeking value, not just browsers

## Psychological Lock-In

Cashback creates commitment—buyers choose your agency over competitors

## Instant Market Differentiation

Be the only agency offering tangible financial benefits on every transaction

# How Immo-Cashback Works

## Capture

Client activates the cashback offer directly on your website

## Lead Generation

Your agency receives complete contact details instantly

## Transaction Complete

Sale is finalized and signed at the notary office

## Cashback Payment

Agency pays cashback after receiving their full commission

Clients recover funds for notary fees or furnishing costs—making your agency the obvious choice.

# Total Security & Zero Risk

## Protection Built-In

Our system protects your agency at every step with ironclad safeguards

### Commission-First Protection

Cashback is **only due AFTER** your agency effectively receives the commission payment

### No Commission = No Payment

If the transaction falls through or commission isn't received, zero cashback obligation

### Cashback Voucher System

Track every sale accurately with our proprietary voucher management platform

# Flexible Pricing for Every Agency

# The Belgium-Spain Bridge

## International Scaling Without Borders

We equip Belgian agencies with connected "Spain" sales portals, creating a seamless cross-border transaction network. Belgian clients buy through their trusted local agency, while we automate the entire transaction flow with Spanish partner agencies.

### Local Trust

Belgian buyers  
work with agencies  
they know

### Automated Processing

Technology handles  
the Spain-Belgium  
connection

### Revenue Sharing

Both agencies  
benefit from each  
transaction
